

# Welcome to St. Tammany!

## *Parenting Center*

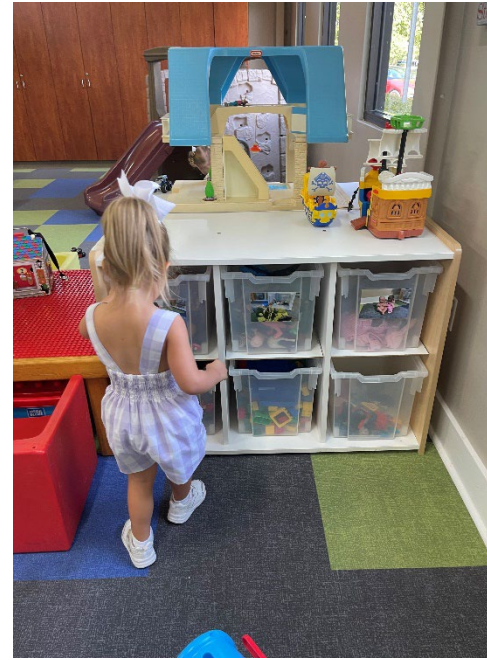

I am going to the parenting center!

When I walk in, I can say “hi!” or wave to the lady at the front desk.

There are many things to do at the parenting center!

Let's look at the things I can do!

There may be other friends playing around me, so I will have to share.  
If I need help, I can get a grown-up.

I can play next to my friends and take turns!

At the parenting center, I can go to a class with friends!

First, I will walk in and say hello.

Next, I will find my carpet square and sit down.

I can use a visual schedule to follow along and see what is next!

We might play with instruments...

Blow bubbles...

# Dance...

Or even sit on our carpet squares while someone reads a book! I will have listening ears and a quiet voice.

After class, I might do arts and crafts!

If I'm hungry, I can eat my snack!

The parenting center is so much fun! When I am finished, I can say goodbye and get a sticker!

See you next time, parenting center!
