

CARE IN MOTION

2025 ANNUAL REPORT TO THE COMMUNITY

St. TammanySM
HEALTH SYSTEM

ST. TAMMANY HEALTH
FOUNDATION

OUR MISSION

We are the heartbeat of our community, caring for our patients and their families with excellence, compassion and teamwork.

OUR VISION

We will strengthen the health of our community with compassion, innovation and partnership.

OUR VALUES

Teamwork

We are a team, a community, a family devoted to helping and healing every patient every time, together.

Trust

We have faith in our caring work and pledge our honesty, courage, respect and integrity to each other and every patient in every encounter.

Compassion

We care deeply about our patients and colleagues, treating each other with empathy and respect, as if they were our own family.

Quality

We are accountable to our patients and each other to always deliver our very best, safest care, to strive for excellence and to consistently deliver on these promises.

Innovation

We seek new knowledge, competencies, techniques, technology and best practices to bring new hope and healing to our patients close to home.

Full-speed ahead

Dear Friends,

When we chose the theme “Care in Motion” for our 2025 annual report, it felt less like a slogan and more like a snapshot.

That is because last year was one of meaningful momentum for St. Tammany Health System, a year in which growth was not pursued for its own sake but in service to something deeper: our promise to care for the Northshore as if it were our own family.

You will see that promise reflected in every chapter of this report.

You will see it in our teamwork — in the opening of our St. Tammany Health System Surgery Center on Highway 1085, in the expansion of services to the Money Hill area, and in the way our foundation once again rallied the community through its Power of Pink and Power of Pearl campaigns.

You will see our commitment to trust, with our 20th consecutive Leapfrog “A” for patient safety, the longest active streak in Louisiana, and in the daily interactions that earn confidence one patient at a time.

You will likewise see compassion, quality and innovation, all on full display and all woven throughout the pages that follow.

Most importantly, you will see community. For more than 71 years now, St. Tammany Health System has belonged to the people of the Northshore. Every facility we open, every screening we provide and every colleague we develop is an investment in the well-being of our neighbors.

As you browse these pages, I hope you feel what we feel every day: gratitude. Gratitude for the trust you place in us. Gratitude for the opportunity to serve. And gratitude for a community that continues to grow — and grow with us.

Gratefully,

Joan M. Coffman, FACHE
St. Tammany Health System president and CEO

TEAMWORK

We are a team, a community, a family devoted to helping and healing every patient every time, together.

In 2025, our teams rolled up their sleeves and worked side by side to bring new possibilities to life while also engaging community partners to help promote healthy living on the Northshore. From the opening of our St. Tammany Health System Surgery Center to welcoming patients at our Money Hill clinic, every milestone was a triumph of collaboration, all with one shared goal: making sure that as the Northshore grows, our care grows with it — seamless, personal and every bit as committed as the first day we opened our doors in 1954. A sampling of our community involvement from 2025:

- The health system continued its **leadership role in Healthier Northshore**, a community coalition of local healthcare, business and government stakeholders founded and led by St. Tammany Health System.
- The health system continued its **partnership with Ochsner Health**, started in 2014 to expand access to key subspecialties for Northshore families, most conspicuously at St. Tammany Cancer Center — A Campus of Ochsner Medical Center.
- We continued our leadership role in **St. Tammany Quality Network**, an association of Northshore physicians united in the interest of delivering quality care affordably to Northshore families.
- The St. Tammany Health Foundation and the health system partnered in 2025 with the Mauti Cancer Fund to put the **Breathe Well ConneCTion** on the streets. This mobile screening unit was designed to bring leading-edge cancer detection directly into the community.
- STHS's Talent Acquisition team continued to collaborate with regional colleges and universities — including **Southeastern Louisiana University** and **Northshore Technical Community College** — to recruit and hire local talent. That included work at the health system's **St. Tammany Academic Center**, a teaching facility designed to help align academic preparation with real-world clinical needs.
- The health system's first **Health Tech Connect Camp**, offered in partnership with Southeastern Louisiana University and powered by CLECO, offered local high school students a weeklong opportunity to explore healthcare careers and programs of study in real-world settings.

1) Rich Mauti of the Mauti Cancer Fund joins St. Tammany Health System President and CEO Joan Coffman and St. Tammany Parish Fire Protection District No. 4 Chief Bert Norton — along with a number of other local dignitaries — in cutting the ribbon on the health system's new lung screening vehicle, the Breathe Well ConneCTion. 2) Lt. Carli Messina of the St. Tammany Parish Sheriff's Office, a key partner in St. Tammany Health Foundation's annual Power of Pink breast cancer awareness campaign since its inception, signs a check — in pink, naturally — for more than \$14,000 raised to benefit local cancer care. 3) Health System colleagues were joined by volunteers to plant a community garden in Folsom under the auspices of the Healthier Northshore coalition. 4) Doctors with the Gastro Group, sponsors of the health system's annual Man Up! men's health event, man an information table at the June gathering. 5) Marissa Riera and Dana Tune with Dilly & Sons Bagelry and Cafe share pink bagels at a quarterly Celebrating You event at the cancer center. 6) Members of Healthier Northshore, a coalition of community stakeholders united in a desire to improve local health metrics, take a group photo at the group's August Advisory Council meeting.

TRUST

We have faith in our caring work and pledge our honesty, courage, respect and integrity to each other and every patient in every encounter.

Growth is exciting, but it also demands reliability. As we added services and expanded facilities throughout 2025, we held fast to the principles that earn patients' trust day after day. Each conversation, each procedure and each innovation was guided by honesty, transparency and the promise that the people of the Northshore can rely on us to put their health first. Always. Here are some of the ways we lived up to that commitment in 2025.

- In its ongoing efforts to expand access to quality care, St. Tammany Health System opened or expanded a number of facilities throughout the community. This includes construction of the **St. Tammany Health System Surgery Center** on Bootlegger Road, the opening of a St. Tammany Physicians Network primary care clinic **at Money Hill**, and the welcoming of hand surgeon **Dr. Grayson Terral** to the STHS family.
- In November, St. Tammany Health System's flagship St. Tammany Parish Hospital earned its 20th consecutive **"A" grade for patient safety** from the Leapfrog Group. This most recent biannual recognition extends the hospital's straight-A streak to a full decade, the longest active streak in the state of Louisiana.
- After engaging local parents in their efforts, the St. Tammany Health System **Neonatal Intensive Care Unit** learned in September that it placed 28th out of 249 participating NICUs in a read-a-thon hosted by the group Babies with Books intended to promote reading to NICU babies.
- Also in September, STHS's Neonatal Intensive Care Unit hosted its **2025 NICU Reunion**, welcoming former NICU patients and their families for an afternoon of celebration, activities and community connection that highlighted the lifelong bonds forged through compassionate care.
- In August, STHS launched its inaugural **High School Summer Shadow Program**, giving 13 local teens more than 270 hours of hands-on exposure to a variety of healthcare careers and helping many gain clarity about their future paths in medicine.
- In March, STHS and Healthier Northshore volunteers helped plant a new **community garden at Magnolia Park in Folsom** to promote healthy eating and strengthen community wellness efforts across the region.

1) St. Tammany Health System colleagues turned out in force, joining hundreds of community members, for the American Heart Association's 2025 Northshore Heart Walk. 2) New mom Meghan Kurtz reads a book to baby Phoebe as part of a global NICU read-a-thon to promote reading to newborns. 3) The Pink Ladies, a group of local cancer survivors and caregivers, pause for a group shot at the STHS Women's Pavilion during a 'Mammos in Maui' breast screening event in June. 4) Nurses in the Neonatal Intensive Care Unit at STHS's flagship St. Tammany Parish Hospital reunited with some of the little monsters they welcomed into the world at a 2025 NICU Reunion. 5) The STHS Community Engagement team was front and center at February's Edward Jones Women's Lunch, raising awareness — and measuring blood pressure — to promote women's heart health.

Taking it to the streets

A by-the-numbers look at the community impact of St. Tammany Health System's Be Well Bus and Breathe Well ConneCTion screening vehicles.

299
Community outreach events attended by STHS in 2025.

677
Mammograms provided on the Be Well Bus in 2025.

109
Mammograms conducted through funding from the foundation in 2025.

536
Low-dose CT lung scans conducted on the Breathe Well ConneCTion in 2025.

4
Lung cancers found as a result of screenings on the Breathe Well ConneCTion since its introduction in May 2025.

8
Breast cancers found on the Be Well Bus in 2025. (Since introduction in May 2021, 20 breast cancers have been caught.)

NURSING CERTIFICATION

St. Tammany Health Systems recognizes nurses for their professional achievement. Certified Nurses voluntarily earn an official designation indicating they met advanced standards of practice which demonstrated their commitment to patient safety and service excellence.

COMPASSION

We care deeply about our patients and colleagues, treating each with empathy and respect, as if they were our own family.

In 2025, our colleagues brought compassion to every corner of St. Tammany Health System — from welcoming patients to the new Surgery Center to providing mobile lung screenings across the Northshore. Their dedication makes our growth meaningful, showing that every facility, program, or piece of equipment truly matters only when paired with colleagues who ensure every patient feels seen and cared for. Here are highlights from 2025:

- In January, St. Tammany Health System started the year by naming longtime Northshore healthcare leader **Jack Khashou as its new chief operating officer**. Jack succeeded Sharon Touns, who retired after a 23-year STHS career.
- In March, with the support of St. Tammany Health Foundation, **STHS celebrated its certified nurses** with a “wall of honor” recognizing their specialty certifications and commitment to excellence.
- Congratulations to the following St. Tammany Health System nurses who were honored with the **Daisy Award for Extraordinary Nursing** in 2025: Paige Coleman, Cassi Currie, Meredith Davis, Cody Effler, Afton Layrison, Anne Mills, Mary Moore, Laine Orser, Michelle Salsiccia, Mandy Sanders and Amber Thompson. In addition, Women and Children’s Nurse Manager Emily Price was named Daisy Nurse Leader of the Year.
- Congratulations to the following STHS colleagues honored with **Sunflower Awards** for their demonstrated support of the nursing mission in 2025: Myletta Farria, Le’Ashia Fields, Jim Gille, DeeDee Jones, Jan Knobloch, Brenda O’Keefe, Monica Payan and Mandi Stanga.
- Congratulations to the following colleagues named **STHS Ambassadors** for 2025 in recognition of their commitment to the health system’s patients and values: Shamekia Brown, Brenda Callahan, Annette Gillette, Anthony Hagans, Anna Johnston, Angela Lacoste, Judy Lacour (guild member), Andria Lee, Stephanie McClendon, Alisha Rushing, Aaron Seal, Megan Shealy, Paula Touns, Alonda Victor, Kristin Vogt and Lana Wood.
- In October, STHS graduated the second class of its annual **Career Pathway Program**, a workforce development initiative designed to grow talent from within.

1) Dr. Daniel Ilie clears the Chick-fil-A cow for duty during a May colleague appreciation celebration. 2) A group of STHS colleagues goof around during a photo shoot at the health system's Man Up! men's health event in June. 3) Mrs. Claus and Santa, known in the off-season as HR Talent Partner Jennifer Saint and Director of Inpatient Services Bert Lindsey, spread a little cheer at the health system's 2025 holiday party. 4) Colleagues participating in the health system's 10-month Leadership Academy pose for a class picture in the hospital lobby. 5) Members of STHS administration and the Board of Commissioners pose with two of the board's scholarship recipients. In 2025, the scholarship program committed to over \$200,000 in scholarship awards to more than a dozen healthcare professionals. 6) Longtime health system colleagues Freda Darby, left, and Lyndia Morris were celebrated for 45 years on the job at STHS's 2025 service awards banquet. 7) Endoscopy nurse Ana Scheuermann learns she's the lucky winner of a gift card during the health system's fall gathering for colleagues marking five years on the job with the health system. 8) RN Lana Wood reacts after learning she was named an STHS Ambassador. 9) A roomful of colleagues party on at one of the health system's bimonthly staff birthday parties. 10) Surgery Medicine RN Paige Coleman works to wrap her head around the fact that she was recognized with a Daisy Award for Extraordinary Nurses during a surprise ceremony in August.

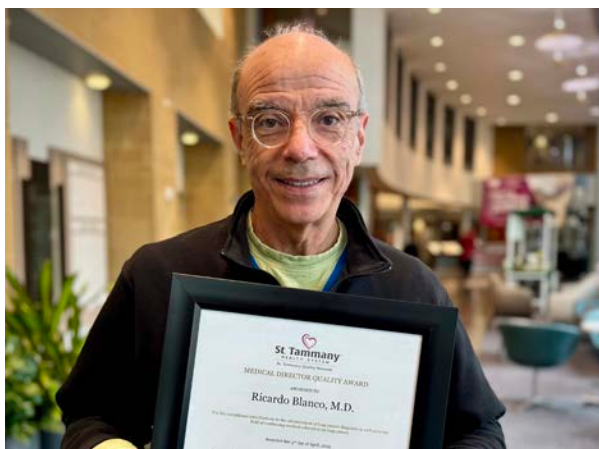

QUALITY

We are accountable to our patients and each other to always deliver our very best, safest care, to strive for excellence, and to consistently deliver on these promises.

Excellence was our companion throughout 2025. Every clinic opening, surgical suite, and lung-screening ride was planned and executed with rigorous attention to safety, outcomes, and patient experience. Growth may bring more people to our doors, but it also brings more responsibility – and we embraced it, making sure that every new service meets the highest standards of care the Northshore deserves.

In January, the St. Tammany Health System Women's Pavilion earned Press Ganey's prestigious **Human Experience Pinnacle of Excellence Award** and **Guardian of Excellence Award** for 2024, putting it in the upper echelon of U.S. healthcare providers for patient experience. ... In February, St. Tammany Sleep Disorders Center in Covington earned program reaccreditation from the **American Academy of Sleep Medicine**. ... In March, the New Family Center at St. Tammany Health System's flagship St. Tammany Parish Hospital again achieved **the Birth Ready+ designation** from the Louisiana Perinatal Quality Collaborative, a program administered through the state Department of Health. ... In April, it was announced that St. Tammany Health System, in collaboration with its partners at St. Tammany Cancer Center – A Campus of Ochsner Medical Center, was **re-accredited by the Commission on Cancer**, a quality program of the American College of Surgeons, for three more years. ... In May, **the Leapfrog Group** awarded St. Tammany Health System its 19th consecutive "A" grade for patient safety, extending its streak to nine and a half years. It is the longest such streak in Louisiana. ... Also in May, St. Tammany Health System's Human Resources Department was named a recipient of industry group **RogueHire's Raving Fan – Hiring Manager Award**, bestowed in recognition of excellence in talent acquisition. ... In June, St. Tammany Health System earned **Best Hospital, Best Cancer Treatment Center** and **Best Place to Have a Baby** honors in The Times-Picayune's first-ever Best of St. Tammany Awards. Other categories in which it earned top honors included **Cardiology** (gold), **Orthopedics** (gold), **Urgent Care/Walk-In Clinic** (gold), **Primary Care** (gold), **Women's Clinic** (gold), **Place to Work** (gold), **Hospice** (gold), **Medical Practice** (gold, for Northlake Surgical Associates), **Pharmacy** (gold, for

St. Tammany Health System Pharmacy at Braswell's), **Physical Therapy** (gold), **Speech Therapy** (gold) and **Home Care** (silver). In addition, STHS physicians **Dr. Seth McVea**, **Dr. Christine Thurston** and **Dr. Robert Fauchaux** swept the Best Doctor category with gold, silver and bronze placement, respectively. ... Also in June, STHS's flagship St. Tammany Parish Hospital was designated a **Recognized Leader in Caring for People Living with Diabetes** by the Leapfrog Group and the American Diabetes Association. It is one of 36 U.S. hospitals, and the only one in Louisiana, to earn the honor. ... In July, St. Tammany Parish Hospital was named one of **America's Best Hospitals for Neurology** for 2025 in the inaugural such ranking from the financial publication Money. ... **U.S. News & World Report** recognized St. Tammany Parish Hospital as a high-performing hospital for maternity care, stroke care and treatment of hip fracture. ... The American Heart Association again honored the health system with its **Get With The Guidelines-Stroke Gold Plus quality achievement**, awarded in recognition of the health system's commitment to following up-to-date, research-based guidelines for the treatment of heart disease and stroke. ... The health system also earned AHA's **Target: Survival** quality achievement award, recognizing its commitment to treatment of in-hospital heart attacks, and its **Stroke Honor Roll** and **Type 2 Diabetes Honor Roll**. ... In September, St. Tammany Parish Hospital was named **Best Northshore Hospital** by readers of **Gambit**. It is the first time the New Orleans-based alt-weekly has included the Northshore in its reader rankings. ... In December, the New Family Center at St. Tammany Health System's flagship St. Tammany Parish Hospital was named to **U.S. News & World Report's** 2026 list of the **Best Hospitals for Maternity Care**. It is one of only two Louisiana hospitals, and the only one in St. Tammany Parish, to earn the honor. ... Also in December, St. Tammany Health System again ranked among the **Best Places to Work in the New Orleans metro area** by CityBusiness magazine. It is the fourth consecutive year the health system was included on the list.

Dr. Ricardo Blanco was named the recipient of St. Tammany Quality Network's Medical Director's Award for the first quarter of 2025 in recognition of his exceptional contributions to the advancement of lung cancer diagnosis as well as to the field of continuing medical education on lung cancer.

Dr. Joseph Landers and Dr. Andrew Baier were jointly awarded St. Tammany Quality Network's Medical Director's Award for the second quarter of 2025, in recognition of their contributions to the development and implementation of Structured Interdisciplinary Bedside Rounding (SIBR) at St. Tammany Health System.

Dr. Christine Thurston was awarded St. Tammany Quality Network's Medical Director's Award for the third quarter of 2025, in recognition of her outstanding care of her patients, as exemplified by her excellent quality scores.

Dr. Karmynah Helaire was named the recipient of St. Tammany Quality Network's Medical Director's Award for the fourth quarter of 2025, in recognition of her spearheading the development of the St. Tammany Health System Refill Clinic.

2025 Key Achievements and Accreditations

Since 1954, St. Tammany Health System has been the premier place for delivery of comprehensive and trusted healthcare on the Northshore. That's true now more than ever. Find a sampling below.

INNOVATION

We seek new knowledge, competencies, techniques, technology and best practices to bring new hope and healing to our patients close to home.

From the Breathe Well ConneCTion to leading-edge surgical procedures at our new Surgery Center, 2025 was a year of smart, thoughtful innovation at St. Tammany Health System. We looked for solutions before problems became crises and introduced tools that help detect and treat illness earlier, faster and with more precision. That organizational dedication to innovation is guided by one simple principle: If the community needs it, we will build it — and build it right. Here are some of the ways we lived up to that promise in 2025:

- In spring 2025, the **St. Tammany Health System Surgery Center**, a technology-driven same-day surgery facility built for efficiency, safety and patient comfort, accepted its first patients. Designed to bring advanced surgical care closer to home, the center combines leading-edge technology with streamlined, patient-centered care, all swaddled in St. Tammany Health System's trademark brand of compassion.
- In May, St. Tammany Health System unveiled **a groundbreaking laboratory upgrade** at St. Tammany Parish Hospital that saw the installation of Abbott's innovative automated GLP systems Track solution — the first of its kind in Louisiana — bringing faster, more efficient processing and improved turnaround times to support high-quality patient care.
- Also In May, STHS teamed with the Mauti Cancer Fund to introduce **the Breathe Well ConneCTion**, a first-in-the-region mobile lung screening vehicle.
- In October, St. Tammany Health System joined other Louisiana health systems in the first-in-the-nation statewide launch of **MyChart Central, a unified patient portal** that gives patients a single, secure way to access their medical records, communicate with care teams and manage their care across multiple providers using one login.
- In December, St. Tammany Health System's Home Health team learned it had earned American Heart Association **Home Health Heart Failure certification**, marking an important innovation in care delivery by aligning its home-based heart failure services with rigorous, science-driven standards that improve patient education, care coordination and outcomes right in patients' homes.

1) St. Tammany Health System President and CEO Joan Coffman and Lab Director Mackey Martarona cut the ribbon for a new Abbot lab upgrade at the health system's flagship St. Tammany Parish Hospital in Covington. 2) St. Tammany Health Foundation's Kathleen Thomas, left, talks with Nancy Mauti, Patrick Mauti and Rachel Mauti aboard the health system's leading-edge new Breathe Well ConneCTion. 3) As part of St. Tammany Hospital Foundation's innovative healing arts program, an 18-foot-by-20-foot original mural painted by Abita Springs artist Zac Maras adorns the lobby of the St. Tammany Health System Surgery Center, which accepted its first patients in spring 2025. 4) A peek inside one of the 12 state-of-the-art surgery suites at the surgery center. 5) Students from St. Scholastica Academy suit up for a tour of the new surgery center. 6) Crews began work in 2025 on an expanded STHS Outpatient Cardiovascular Center, which is to open in 2026. 7) Local high school students roleplay as part of an exercise titled 'What Went Wrong?' during June's STHS-sponsored Health Tech Connect Camp, designed to introduce them to careers in healthcare. 8) Members of the STHS Transitional Care and Communication teams pose for a photo after winning a 2025 eHealthcare Leadership Award for their digital efforts in the population health arena.

FOUNDATION

CONNECTING PEOPLE TO PURPOSE

St. Tammany Health Foundation raises funds through a comprehensive development program including corporate partnerships and major gifts, planned giving, bequests and charitable gift annuities, tribute gifts, an annual support program and special events. In doing so, the Foundation impacts the healthcare and well-being of the entire Northshore community.

OUR MISSION

We support and enhance the work of St. Tammany Health System as it leads with innovation and cares for its patients and their families with excellence, compassion and teamwork. Through generous donors, we help our neighbors and the community heal and live healthy, fulfilling lives.

OUR VISION

By connecting people to purpose, we will work together to improve the health and wellbeing of our community now and for future generations.

**ST. TAMMANY HEALTH
FOUNDATION**

The foundation of our success

Dear Friends,

We are deeply proud to recognize the 1,801 individuals, STHS colleagues, businesses, organizations and foundations who made contributions that brought our 2025 total revenue to an astounding \$2,406,067. The generosity of these supporters has brought contributions in support of the healing work of our health system to over \$28,537,663 million raised since our inception.

Thanks to the generosity of our donors, patients of St. Tammany Health System continued to receive compassionate care with donations fueling technology advancements and innovation in healthcare; community wellness and screening programs helped create a healthier Northshore; patients and their families at St. Tammany Cancer Center – A Campus of Ochsner Medical Center received essential support services; pediatric patients with autism experienced more inclusive care environments; and colleagues received essential training and education that keep our health system delivering the world-class healthcare you have come to expect.

Our continued partnership with our supporters fuels every advancement we make and every life we touch. We are profoundly grateful for the trust our donors place in us to steward their gifts wisely, and we look forward to what we will accomplish together next as our shared vision for healthcare excellence continues.

With gratitude,

Kevin Gardner
2025 chairman, STHF Board of Trustees

Nicole Suhre
Executive director, STHF

2025 foundation highlights

Little Grant, BIG Impact

Every other year, the foundation hosts a system-wide call for funding, aptly named Little Grant, BIG Impact. Made possible by unrestricted donations, departments of STHS submit their wish lists of items that will make an impact on their patients, visitors and fellow colleagues. We are proud to share that the 2025 Grants Review committee approved funding for 42 requests totaling \$315,066.65. This is the largest grant distribution from this program to date.

Events with vision support mission

In 2025, businesses joined together with individual donors and community volunteers to raise much-needed funds through the following events: THE Gala 2025 presented by HUB International raised \$228,000 in support of programs at St. Tammany Cancer Center – A Campus of Ochsner Medical Center; the 37th Monster Mash presented by Metairie Bank raised \$86,431 in support of the mission of the STHS Parenting Center; the Get Lucky! Golf Tournament presented by Five Star Breaktime Solutions brought in \$57,558; Angels of Light raised \$25,000 to benefit Hospice. Grant opportunities through organizations such as American Cancer Society, American Lung Association, Bank of America Charitable Foundation, Capital One Bank, local Wal-Mart stores and family foundations enabled us to fund patient programs that make a difference to the patients of STHS every day.

1) In 2025, the foundation funded 'sensory bags' to help patients with autism during doctor's visits. 2) Things got wild at the foundation's jungle-themed 2025 Gala. 3) Winn-Dixie was honored with the foundation's 2025 Adrian Award, given annually to spotlight an exceptional donor. 4) Funding from the Mauti Cancer Fund was instrumental in putting the new Breathe Well Connection vehicle on the road. 5) Members of the foundation's Board of Trustees and their spouses enjoy the 2025 donor appreciation celebration. 6-7) Metairie Bank Northshore once more sponsored the popular Monster Mash celebration. 8) The nonprofit Ruby's Kids again hosted an Easter celebration for cancer patients and their families. 9) St. Tammany Hospital Guild's annual donation to the foundation was a record \$72,670.

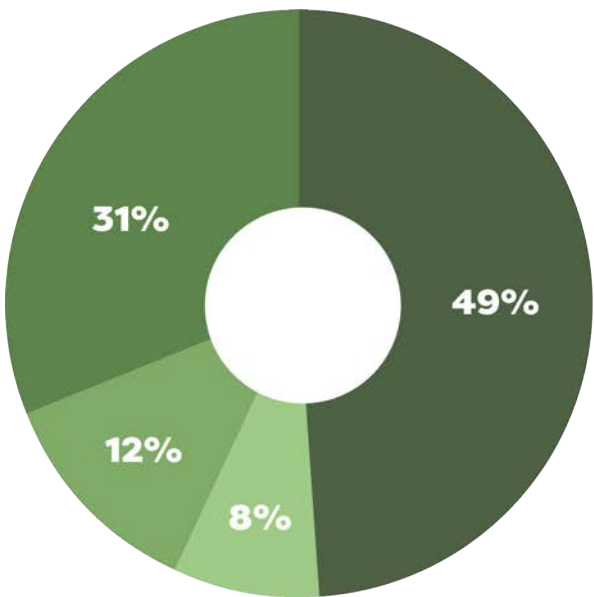

Gifts that made a difference

- **CORPORATIONS for COMMUNITY:** Partnerships with our local business community are essential to our success. We want to extend our sincere gratitude to the many corporate sponsors who are part of our foundation family. A shining example of this type of partnership is our Colleague Engagement and Education fairs at the cancer center. Three events were hosted last year in partnership with pharmaceutical companies which raised more than \$160,000 for the cancer center's colleague education fund.

- **COMING TOGETHER:** St. Tammany UNITED: Creating a Culture of Neurodiversity awareness and acceptance campaign raised nearly \$44,819.81 for autism initiatives at STHS, including the introduction of sensory backpacks for patients with neurodiversity. St. Tammany UNITED in Breast Health: The Power of Pink breast cancer awareness campaign raised a record \$43,054. Among its top donors were the St. Tammany Parish Sheriff's Office, whose efforts brought in more than \$14,700, as well as Timeless Touch Medical Aesthetics and AmBetter Health. St. Tammany UNITED in Lung Health: The Power of Pearl lung cancer awareness campaign raised a record \$19,394. Sponsors included Chevron, Healthy Blue, Stone Creek and ISO Services.
- **FROM THE HEART:** Some of the most meaningful gifts we receive each year are those from our own St. Tammany Health System colleagues. Through the annual One Heartbeat Employee Campaign, 1,059 colleagues personally donated \$136,392 in support of healthcare causes close to their hearts including the Colleague Benevolent Fund which provided assistance to 25 colleagues in 2025.
- **THE GUILD THAT GIVES:** The St. Tammany Hospital Guild made its largest gift to date with a generous contribution of \$72,670, bringing their cumulative giving to an incredible \$579,200. Their remarkable gift provided funding for the Breathe Well ConnecTion mobile lung screening unit, Stop the Bleed and Sudden Impact programs, and equipment purchases.

Keeping St. Tammany Health System healthy keeps our community healthy

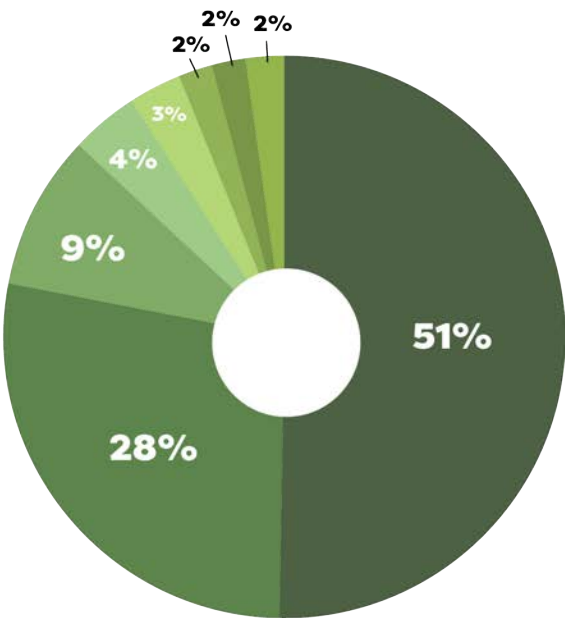

2025 Sources of Funding

- Individuals and Employees - 49%
- Companies - 31%
- Foundations / Organizations - 12%
